

# DealerBet Information

# DealerBet

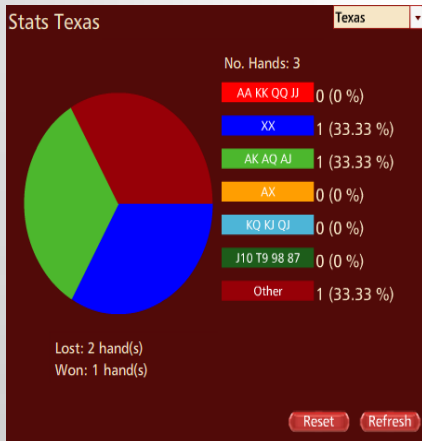

## The new website for casino games

- ✓ Texas Hold'em Limit & No limit
- ✓ Omaha Pot Limit & No Limit
- ✓ Black Jack (player versus Casino & player versus players)
- ✓ Stud Poker (player versus Casino & player versus players)

[www.dealerbet.com](http://www.dealerbet.com)

# The strenghts !!

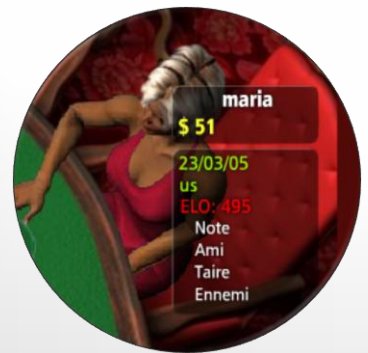

- ❖ Site Multi languages (Fr, GB, SP,...). Compatible with Mac or Windows (Vista,...). Version download or Flash.
- ❖ Quick and easy access from any computer (instantaneously connection in Flash).
- ❖ Connexion perfectly safe (128 bits encryption).
- ❖ Random number generator efficient (Official Windows RnG, tested on millions of hands...).

❖ Transparency and security → Players are classified according to their level of play (ELO), they have access to the statistics and history hands played.

❖ Compliance with the legislation supposed to regulate the online gaming market in Europe.

❖ **DealerBet first casino website in the world providing casino games in mode player against players.**

❖ Dealerbet respects the international rules of each game and provide a responsible gaming program (restrict deposit and self-exclusion).

❖ Interactive → **Tournaments organized for all games** (Black Jack & Stud Poker included). Chat between players in the lobby and/or at each table (bubbles animation). Users can take note, add buddy (friend) or bad player, and disable chat.

❖ Original design (2D). Realism drawings, customization players (Avatars, more than 900 combinations).

# DealerBet

invents a concept

Players can start playing like dealer and buy the casino bank by auction (Black Jack, Stud poker)...

The most !!

After each session the bank is automatically put on auction between all players . DealerBet take a rake on the amount of the last bid winning, then during the new session a commission is taken on every dealer's hand won.

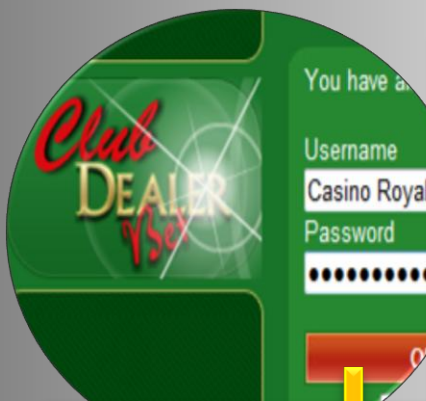

# Innovative approach to create a community of players...

## Club DealerBet

The most !!

Offers to all Casinos, Circles and games Clubs, its software to organize themselves their satellite tournaments...
